

Micware Commences Full-Scale Spatial Intelligence Business for the Web4 Era

July 10, 2026

Micware Launches Micware Spacia Co., Ltd.

KOBE, Japan, July 10, 2026 (GLOBE NEWSWIRE) -- Micware Co., Ltd. (NASDAQ: MWC) (the "Company" or "Micware"), a Japan-based provider of software development services and innovative IT solutions mainly focused on the automotive and mobility sectors, today announced the launch of "Micware Spacia Co., Ltd.," the entity that will fully develop the Company's spatial intelligence business, with the aim of creating new value in the Web4 era.

Method and Timing of Launch

1. The launch will be carried out as follows.

(1) Change of Trade Name of Consolidated Subsidiary

Current: Micware Navigations Co., Ltd. ("Micware Navigations")

New: Micware Spacia Co., Ltd. ("Micware Spacia")

(2) Reorganization of Management Structure and Business

The DynaPlanet platform, which currently belongs to Micware, will become a business of Micware Spacia, and Masahide Shigeno, who currently oversees it as Representative Director, Deputy President and Chief Technology Officer (CTO) of Micware, will assume the position of Representative Director, President and Chief Executive Officer (CEO) of Micware Spacia. He will continue to concurrently serve his positions at Micware.

In addition, part of the current Micware Navigations business will be transferred to Micware Automotive Co., Ltd. ("Micware Automotive") to strengthen the micAuto platform business promoted by Micware Automotive. In connection with this transfer, Kenta Imaida, the current Representative Director, President and CEO of Micware Navigations, will be transferred to Micware Automotive.

2. The effective date of the launch is September 1, 2026.

Micware's Growth Strategy Mission

Micware's growth strategy is to establish itself as a platform business operator by developing and expanding its platform businesses. To achieve this, Micware has set forth the following missions for the two platforms it operates, together with a newly established project designed to accelerate them.

micAuto-PF × DynaPlanet-PF: Our AI-centric platform strategy

The Company believes that the launch of Micware Spacia symbolizes the opening of a growth strategy that will pave the way for the future of Micware. Starting with this launch, Micware will begin full-scale implementation of its growth strategy and will announce related measures in stages going forward.

About Micware

Micware Co., Ltd. is a Japan-based provider of software development services and innovative IT solutions mainly focused on the automotive and mobility sectors. The Company is primarily engaged in the development and sale of in-vehicle infotainment ("IVI") systems covering multimedia, navigation, human machine interface, telematics, and driver assistance, as well as navigation software and location information-based smartphone applications.

Since its founding in 2003, Micware has built over 20 years of experience in automotive software and has established long-term relationships with major original equipment manufacturers ("OEM") in Japan, including Honda Motor Co., Ltd. and Toyota Motor Corporation. Leveraging its engineering capabilities, proprietary technologies, and long-standing OEM relationships, the Company was ranked 9th among Japan-based Tier 1 suppliers in the IVI market in terms of revenue as of February 28, 2024, according to an industry report titled "IVI, Automotive Navigation System and Digital Mapping Market" commissioned by the Company and prepared by Frost & Sullivan. Micware operates across Japan through six operating entities and 12 branch offices and has established subsidiaries in the United States, Thailand, and Germany for overseas operations.
